Here are the basics for ANY meeting to focus on any issue and never again personality differences

SK20210414 Keiths Rules Of Order UNlocracy.org
Author: CreatorKeith.com DUNCAN cell 725-200-7683
PeaceSummit2020@gmail.com is PeaceSummit2020.com

These supplement and replace Roberts Rules of Order.

This entire system is known as Direct eDemocracy of UNlocracy.org.

Use of LearnFirstNames.space and SolutionPeace.org/5steps is now 5Steps.space fastpaths the decision making final results of our people.

Benefits: We GODS people decide the NEXT best project by focusing on resolving issues using mediation of collective cooperative mutually binding legal agreements. This alone detaches the ego arrogance of the top decision makers who falsely believe only they can decide how to use GODs resources to achieve total world equality peace of UNlocracy.org.

These simple Keiths Rules of Order methods apply to Legislative Sessions, Courtrooms, Board of Director Meetings, Town Hall Forums, Church meetings, training seminar forums, and any group that requires dignity and respect during their proceedings.

First requirement is to publish the meeting agenda to the required audience and use social viral media including Websites, facebook, ZOOM, SKYPE, and other free internet communication systems to broadcast the current issues, conflicts, and problems. Posting the discussion to public is required to show Open Meeting FORUM participants and the final results of ACTION. Meeting agenda should deal with the small items at front of agenda and the biggest issues at the end of the agenda unless the group mutually agrees to re-order the precedence of the issues. Issues of participants using video audio recording devices should be clearly listed on the agenda. Those who demand

privacy during an open forum meeting have the right to NOT attend or be remote but forfeit their right to actively participate and eVote.

CreatorKeith.com Duncan 1958-2021 © (r) (patent) trademarked

Second requirement is to start on scheduled time using large screen TV or LCD Projector or WhiteBoard to record the decisions made using system Keith procreated of IseeStand.org PhoneCradle.com patented in 2009 forward. Group can set standard of penalty for late arrivals for future meetings.

Third requirement is sign in of everyone in the room. Best is for those with business cards to leave them at greeting desk with date of meeting and brief identifying features of themselves. See below. Optionally, the host, panel of speakers, and participants can agree to share the sign-in list online or email out to any or all requestors. Anyone who refuses to show their identification and is not recognized by other attendees can be banned from attending by the greeters and hosts. LearnFirstNames.space is the group exercise to identify WHO is WHO and who has interest and resources to solve the itemized agenda issues. Everyone present agrees they can be EVOTE.one out of the meeting if the majority recognize the person is self-serving, a hypocrite, or is only present to cause detention desertion dissension and trouble.

Fourth requirement is use of a skilled trained MEDIATOR to manage the discussions and focus the audience and keynote speakers on fast path methods to procreate items of ACTION results progressively forward. A separate transcription scribe is required if issues are complex or controversial in nature.

Fifth requirement is an elected Sergeant at Arms if the meeting participants expect issues from participants that are disruptive to the decision making progress of reaching mutual and legally binding agreements.

Sixth requirement is process of conducting each meeting.

1. Brief greeting by host on name of Group, date, location, purpose, and expected number of attendees.

2. Everyone (in a smaller group under 20), introduce themselves by their first name and 1 sentence on their primary expertise or business with limit of 15 seconds each. Helps if group responds with 'WELCOME (their first name) to reinforce who is who. Scribe records their # of introduction, their first name/last name, basic mind-map of the person by approximate age, gender, color of clothes, identification factors. Use of business cards helps.
3. Host of meeting starts with fast path review of previous meeting issue follow ups and mention of any 'tabled delayed items'.
4. Host introduces any guest speakers or panel by first name and brief expertise.
5. **Meeting agenda starts on time** to structure the minds of everyone that everyones time is critical important and must NEVER be abused wasted.
6. Item Topic is shared. Host immediately asks for show of hands of those who are interested YES, or not interested NO.
7. **Use of Visual diagrams** and associated supporting information is most helpful using video audio presentation tools and methods such as IseeStand PhoneCradle.org. Everyone is on the same page using keiths methods from NSASpeakers.org and other top professional trainers.
8. During discussion, host acknowledges and recognizes who raises their hand for commentary control of proceedings. An assigned 'TIMER' person can use a signal light or small sign to indicate elapsed time has been exceeded to limit long 'filibuster' discussions. The group can hand vote to permit the person to continue their open public forum explanations.
9. The host mediator is 100% responsible for maintaining order of respect and dignity in all conversations. Anyone providing a controversial problem, issue, or conflict is required to provide the solution to solve the named topic as well as prevent further occurrences. 5Steps.space does this visually for group subjective and objective reaching of mutually agreeable compromise solution sets.
10. **Any disruptive person can be eVoted out of room** by will of majority consensus. Sergeant of Arms is responsible for maintaining decorum and respectful treatment of respect and ethical integrity between all participants.

11. If the meeting is a formal decision making board such as commissioners, board of directors, mayor/councilpersons, the host mediator asks the audience to **PRE-VOTE their decisions before the impaneled** hosts pass their final recorded legally binding decision.
12. Out of Agenda Items are tabled that require more followup, delay for research, or additional readings before passing ACTION of YES or NO.

These **Keiths Rules of Order** are an integral part of SolutionManifesto.com worlds Last open public Constitution that ensures everyone's rights are protected by Free Speech and Free Press.

This most prolific profound solution sent by GOD through Keith Duncan originated back in 1972 and was openly procreated published gifted year 2000 in Peachtree Corners at 4177 Ancient Amber Way, Norcross GA 30092, then after ill fated divorce, completed at 6326 BrandyWine Trail, Norcross GA 30092 until we were civil criminally robbed at 981 Laurel Springs Lane, Marietta GA on Feb 4, 2011 per Marietta PD 1.11.2506 we filed same day. DuncanClaim.org describes the open broadcast exposure of all free roaming crooks worldwide with emphasis on our \$500 Million USD court order we filed May 3, 2022 of 22-1-3046-68 that also puts us BACK on national news media of OneMedia.Foundation and all local national news groups for many more months.

The civil criminal defendants were first Sherry Duncan, Brother Douglas Duncan, then by career criminal groups led by super Criminal ROBERT DEE ROSE and Ms. BASHAMA. Subsequently we were illegally civil criminal charged with Cobb County TPO 11.1.1171 feb 23, 2011, then Cobb County TPO 11.1.7883. 11.1.1171 dismissed July 15, 2011 by Atty Berry Victor Reynolds and DA Patrick head. Subsequently we traveled back to Police, +12 lawyers, IRSWBFeb2009, AG Sally Q Yates, FBI, and then Langley AirForceBase Sept 25, 2011 asking for Federal and Corporate even CHURCH protection from ONLY ROBERT DEE ROSE.

We were totally shocked and stunned being illegally detained Oct 3, 2011 through Jan 28, 2014 Norfolk VA public scandal of being DENIED ALL our rights to have ANYONE investigated, seized, and arrested convicted up through Feb 14, 2022 Valentine's Day. We were released UNCONVICTED by accident despite reality that our very own family and other named defendants had most actively slander libeled and false testified against us after seeing our TRUE VALUE of WHY GOD sent us apparently all ALONE to unify mankind using GODS technology wisdom, knowledge, and open exposure of WHO is WHO, WHO owns WHAT, and WHO TRADES what with GPS tracked all WHO.

WHO DO YOU KNOW to actually MEET us in person and actually go WITH US to personally hand over any violator of GOD and OUR HUMAN rights use of SOLUTIONJUDGE.com GODSConstitution.com and all other perfected total economic replacement systems seen below?

NOTE: The contents of this eVideo based BOOK was original designed to be the lead train the trainer education system for ALL churches and ALL communities at all levels. We were going to offer original hardcopy and electronic copies at \$10 USD per issue per person back in year 2010. GOD asked us to gift EVERYTHING since our very own core group of Guardian Angel protectors had been most actively cyber hacked, stalked, and persecuted threatened over return of our very own ASSETS valued in cash \$1.2 Million USD, insurance claims \$3.2 Million USD, and then \$20 Million USD profits by spring 2012 IseeStand.org, TurnOffLights.com and all other WORLD saving changing gifts from GOD and most humble Keith Brent DUNCAN who goes by many names like FatherKeith.com BidOnKeith.com CreatorKeith.com BuildByKeith.com and now focusing everyone on FortuneONE.org

SolutionBankFraud.com is two simple 'blockchain video confirmation' methods from year 1976 NCSU Raleigh NC forward. **This one super simple method applies to all bank, government, and corporate databases to reverse worst crimes against humanity known as cyber infiltration and legalized embezzlement** of Stock Options, Corporate Pirate Perks, Corporate Aircraft, MegaYachts, and worse crimes of using our assets as campaign contributions to preselect OUR leaders at all levels.. Most humble Keith Duncan corporate/personal net worth exceeds \$40 Billion USD, actual worlds last Trillionaire of Intellectual Property of WorldPTO.com we also procreated 45 years ago.

All of these systems we perfected, gifted, published years 2005-Oct 3, 2011 were the target of super cyber terrorist Robert Dee ROSE at DuncanCLAIM.org once criminals erase delete forge OUR databases of 'private' information.

Greatest crimes against WE GODS people has been corporate Executive STOCK OPTIONS and Federal RESERVE System from JP MORGAN chase Man-Hatten Bankster conspiracies against OUR PEOPLE = WE THE GOVERNMENT.

and clearinghouse at CreatorKeith.com to unify all mankind forever by decentralizing all wealth, all assets, all of GODs resources back to greatest places of mortal needs forever. NO one can object to benefiting themselves, as even all the world banks will be moved back as locally controlled and managed Associated Credit Unions.

Using Keith + Gods fiscal system of KBitCoins.org, typical loan out rates will be average 4%, your investments will return 3% to your closely guarded monitored savings/checking accounts, and all banks will operate with 1% overhead at all levels. This system destroys the current FOREX, Bitcoins, and all commodity traded financial instruments of paper chasing the profits that are 95% MLM false promises of high ROI by trusting "them".

TheMetaPhysics.org FortuneONE.org SolutionJudge.com, EVote.One FOIA.One is UNIocracy.org

This universal prevention methodology was 1976 year procreation at NCSU, Raleigh NC (BidOnKeith.com) of how everyone can prevent infiltration of our databases at all levels using our original source control one write, read all public database FOIA.ONE. At point of any monetary transactions, the customer client investor (broker) to teller executive person video conversation is now tied to the authenticated authorized transfer of our assets. No criminal or cyber terrorist would ever be held accountable by ancient bio-metrics systems we personally perfected back in 1970s. WHO do you know to actually protect Keith Duncan and provide us safe haven shelter passage so we can ALL finally go on National required news media to discuss how PeaceSUMMIT2020.com changes your legacy heritage history once and for-ever real time use of Evote.one through FOIA.ONE that is our perfected unhackable decision making computer systems using our root perfected system of psychology known as MetaPhysics and Artificial Intelligence A.I. 770-377-2106. USA

One of our prime CreatorKeith.com Duncan Board of Directors was Mark Primosigh at 404-229-2529 who we just spoke with directly today March 29, 2022 at MVPss@bellsouth.net Even he will be a mega millionaire like each of you by direct face to face debriefing with us with TOP world Corporate Executives, top National News Media Broad -c casters, the remaining honest trustworthy pastors, and our top world government leaders at mayor up levels.

Others were Dr. Tom McPeak in Peachtree City 770-757-3021 TMCpeak@gmail.com and Chris Morris at Dunwoody GA 770-493-7579 Chris@CMAwizards.com who clearly sold off Keiths entire 401K transamerica retirement accounts by criminal use of Forged Power of Attorney by felony convict murdered Brian Walker spring 2012 and then use of forged POA by Keiths very ex-wife lesbian **Sherry Mingle Duncan at 770-825-0500, cell 678-431-4001** lives in #1 elite wealthy Berkley Lakes GA gated townhomes near PIB funeral home of GodsCrusade.org

Since most humble Keith Brent Duncan was clearly sent and delivered by GOD through #1 top world scientist Angel Guardian civil rights founder of UNIocracy.org, each of you have the destroy ability to prevent anyone from stealing our identity and cyber crime by taking any of our assets, wealth, and data intellectual property of FOIA.ONE.

TWO simple GODs technology method systems below eliminate all ability for anyone to infiltrate and steal any of our data of government and corporate databases. #1 Intl Cyber Criminal terrorists are Robert DEE ROSE and Atty Alexander Cyclone Covey at DuncanCLAIM.org who forced Keith into hell jail after defrauding him out of legally binding contracts Forsyth County Judgment 08SC-1345, brutally robbed Keith homes after cyber track hacking ALL his most prolific inventions and intellectual property, then forced Keith into JAIL on Cobb County GA cancelled TPO 11.1.1171.99 dated Feb 23, July 15, 2011 used to murder Keith Norfolk VA 4:11cr112 Oct 3, 2011 to Jan 28, 2014, then Oct 5-Nov 22, 2018 by criminal FBI agent Lynn (Atlanta GA).

Over \$50 Trillion USD of our assets are annually taken criminally and legally out of OUR banks and stock markets using embezzlement, Stock Options, Corporate Perks, Campaign Contributions, and CRIME PAYs excuses.

This is the basis of WHY GOD sent us to NCSU Raleigh NC Aug 15, 1976 to be your founding father #1 top world leader of all expertises. We have no reason to NOT be host mediated on all national news networks NOW, same as summer of 2011 when we fully disclosed all aspects of SolutionGovernment.com no more taxes, no more POLYTicks, NO MORE stock options, NO more fraud, no more scammers acn exist once WE GODS PEOPLE destroy anyone who violates our basic GODs rights of SolutionManifesto.com UNIOcracy.org.

Updated March 29, 2022 in East Cobb County GA near where 120 named DOJ, most of Duncan Clan, Robert Dee ROSE, Ms. Bashama not only defrauded keith of YOUR assets, they physically robbed keith and you so many times, we lost integrity ethics empathy for ANYONE to actually PROTECT and SERVE KEITHs life by transferring GOD + KEITHS assets back to your local Credit Unions, all privately held small businesses of ReINVESTall.com so each of you now fully control your own GODs reality and near term destiny fate. **CONTACT US NOW.**

This is your Universal simple KISS methodology to re create GODs UTOPIA of Heaven as it was original procreated here on Earth. Never been done before for all reasons clearly explained since most mortals have self isolated themselves unable and unwilling to search and find their very own purpose of WHY they were conceived and gifted free will choice of RIGHTEOUSNESS versus EVIL known as sin, vice, and crime.

A short breakdown of the phrase **The Meta Physics** is below since everyone loves great acronyms versus synonym:

T Theology -Basic belief system of how human souls interact and connect with each other as GIFTERs.

H Health -Without best health of mind, soul, and body little can ever be done to advance our human race.

E Education -State of the art digital communication systems reprograms each of your minds to be careGivers and CareTakers. The only other two groups are our OVERSEER guardian angel inventor investor philanthropists. The last group are the UnderTakers who deal with our end of life mortal deaths led by Gods Grim Reaper.

M Math -The basic method of determining anything of value benefit to each other.

E Engineering -Basic problem solving method technique to advance our human race as peace makers.

T Technology -self evident.

A Architecture -required to scope out the near perfect design of any creation at all levels.

P Physics -The in depth study of cause and effect of how all of Gods creations interconnect link to each other. Everyone and everything has a ordained divined reason for being in expanding existence. Ask us about the 'White Elephant in the Room parable.'

TheMetaPhysics.org FortuneONE.org SolutionJudge.com, EVote.One FOIA.One is UNIocracy.org

H HOME -Everyone deserves to have a stable base of operations their entire lives. The homeless and impoverished only exist because of the 'Criminal Ruling Elite' who commercialized slave trading genocide 5550 years ago in Egypt.

Y YOUTH -Our best resources is our children and young adults who must be open public trained how to be World Leaders to replace our aging elder group of master problem solvers who inherit all our knowledge from previous generations.

S Satisfaction is Happiness. This always occurs when our work efforts are 'GOOD ENOUGH near perfection' requiring no more effort, time, or resources to refine our creations any further. THEN go forth to teach others everything you know.

I Integrated. Once everyone understands they are always MORTAL and WILL DIE either a happy or cruel death, each of you will now decide to be a GIFTER CareGIVER who shares everything with our CareTakers, and Overseers.

C -Care Communication Command Control is defined as GODs original LOVE. The command must come from each of you having full confidence to address any issue that negatively impacts the minds, souls, bodies, and assets of all others.

S System -Defined as the required fast path methods of deciphering observing any issue problem conflict, then documenting the best 5Steps.life generated video/audio/paper methodology to obtain the better = best solution that becomes how to PREVENT and Reverse the original root problem. Includes reversal of all WarLord Machines.

4 simple steps To PREVENT, then Reverse Spider web Spread of any pandemic disease and/or Crime enterprises, here is GODs original technology methodology procreate author gifted by Keith Brent Duncan, **BidOnKeith.com** (c)(r)(rm) This worlds Patent valued + \$100 Trillion USD.

1. First carrier of any new disease (or crime method) travels remotely by stealing, lying it's theft identity, then hiding from detection while recruit converting next layer ring of victims to continue the spread outward until all consumable material or energy is depleted. First traveler of any new disease obviously infects those in close proximity. Once they are diagnosed with a new viral disease, the following data mined driven solutions prevent the pandemic spread in less than 6 weeks based on statistical data modeling perfected some 40 years ago by Keith.

2. With advent of GODs technology pioneered by Keiths elder #1 top computer science engineering groups, the first report of the issue must be shared with public through FOIA.ONE. All Phone Companies, CheckPoint officials, even Open Circuit TV auto face recognizes each person. All cell phones are constantly recorded of our GPS locations triangulated by wifi routers and cell towers WE GODs people paid to construct and maintain.

3. Simple SQL matching of medical records and GPS locations, our system notifies large percentage of possible infected citizens to self isolate and be tested locally to prevent mutated effects. REVERSES ANY PANDEMIC **6-8 WEEKS**.

4. Worst WMD are genetically modified DNA weapons of mass destruction including original SIN of LUCIFER agenda heresay. He said, She Said used to persecute + murder the most intelligent scientists who work for GOD and each of you. ONLY when all medical scientists and Doctors SHARE research information will all Diseases be reversed.

Assembler on IBM 370/165, then PDP 8, then immediately taking Electrical engineering courses on micro electronics hardware, software, and of course the underlying data communications protocols that run our entire world. These are known collectively as Programmable Logic Controllers. Our key achievement is TurnOffLights.SPACE that is all electronic interconnected data communications and related FOIA.ONE database that are the ultimate simple format of cluster network data exchange of all data in the world.

1981 BB&L Industries was startup in Atlanta Georgia as we produced the worlds most state of the art Paging and voice retrieval systems in the world.

1983 Rollins Inc as I worked directly for President Randal Rollins specifying at the lowest to top levels their new 40,000 unit ITI Security system and monitoring central station software and hardware. After 9 months, I saw they were not going to invest in the required in house development group that I was leading.

1984-1989. Digital Communications Associates. As top key member of their engineering design production teams, I as the International Design engineer as we are the top scientists who created key components of all inter connected banking, finance, phone company, stock market, and data communications protocols and high speed dedicated hardware interconnecting the new IBM PC technologies, the AT&T UNIX systems, and IBM and DEC mainframes worldwide. I traveled extensively in Europe by creating the automated international language translation of all software systems of IRMA and SMART ALEX.

1989- 1992. As top key consultant of Broadway & Seymour, we were the top world consultants on the IBM high speed check sorting systems, then the famous IBM DataTrade system that was the worlds first computer independent software system that transmitted any data (mostly banking) from any hardware based computer at PC, midrange, to Mainframe level using only ONE major source code repository that was written in 100% generic cross compilable C language. We also worked at Dupont on their factory automation systems.

1993-1994 SunGard Trust Systems Birmingham Georgia. Our small teams created and deployed the most expensive Portofolio management investment and tracking system at that time. Managing billions of USD/Euros through

IBJ, Integrity bank, and of course all the huge customer bases of IBM and other banking consolidators like Carnage Mellon.

1995-1996 AT&T (Bellsouth) We were the core consultant teams who designed AT&T's replacement construction Management supply chain system of OSPCM. In less than 1 year we were fully operational after designing their new system from ground zero.

1996-1997 AT&T (Bellsouth.com) Long Distance. Our top consultant teams were the original designers of their very first long distance billing system we designed from ground zero. We were operationally in less than 1 year as our work dealt with millions of call detail records and the wholesale billing to sub vendors and interconnections with all other phone companies.

1998-2004 bellsouth.com As top consultant, we were the lead consultant architects of the prime mainframe to web portal Bellsouth billing and product/service procurement site managing over 70 mainframe services for 24x7 service availability. We had the highest usage rate of any world corporation including Google, Amazon, IBM or any others. We had the lowest failure rates because our prime focus was on sustainable tracking of all software modifications and predictive analysis software systems to prevent major computer malfunctions and shutdowns.

2005-2007. Datatrade that services almost all Toyota and other major brand auto showrooms.

2008-2011. Is the most incredible verifiable years when we were asked to partnership with the top Home/business highest end electronic automated system vendor in Atlanta GA. After being defrauded of \$109,000 USD, we embarked on the most positive profitable journey of all time. HOW to UNIFY mankind by create publishing the required HOW-TO produce almost free electric energy worldwide with TurnOffLights.SPACE, SolutionSafeWater.org.

Sept 2011 to Jan 2014 were extreme educational publishing period of the inside of our very own Judicial system at all levels. We published the true cause and effects of Poverty from 2005 to present because no one else has the confidence to deal with the real numbers of trade and who controls our data, assets, and liberty of free speech, press, and ability to redress grievances against those who violate our laws. This is SolutionJudge.com SolutionManifesto.com completed to perfection years ago. Our world is

legacy heritage value because everything gifted back to our world to be happy.

Our resume and most broad spectrum experience is so extreme that we have not the time to keep repeating the most obvious fact of all. We are the original pioneer free will citizen scientists who were the instrumental top experts in the world who designed and deployed almost perfected hack free systems. Our work in the psychology of the HUMAN CONDITION has also been perfected in our ability to teach humanity at all levels how to be peace loving citizens when everyone benefits by fearlessly protecting the rights of all others.

This was always our mission in life. TO be GOD LOVING free will open democracy public citizens who defend the rights of honest integrity focused citizens so that everyone benefits down to the very most impoverished orphan homeless street child with WorldSchoolFUND. Once our young adults use TeenMoneyMachine and other existing educational all digital resources of ISeeStand PHONEcradle seen on CreatorKeith.SPACE, they collectively become our new world leaders of commerce leading small corporations as the MEGA corrupt corporate executives will be banned from leadership by the will of majority bell curve mean 7.777 billion people using simple 5 steps of Evote.one part of SolutoiNManifesto.com Our prime world saving solutions are the worlds last replacement law enforcement system when all agencies share criminal investigation evidence to the public so everyone prevents crimes in the first place. Ties to SolutionMilitary.com as ONE International military as 100% peacekeepers and criminal investigators who are no longer controlled by Presidents, Congress, or military industrial complex share holder executives.

We have successfully replaced all stock market trading computer programs by eliminating the ability for anyone to day trade with insider information by using OUR bank accounts and stock market certificate value to criminally profiteer since only a few executives and bankers actually control the master passwords and have access to our private trae and commerce activities.

SolutionHousing.org is the prime legal method to successfully transfer true trillions of USD of wealth to higher elevations in 3rd world nations and under development remote mountain regions to unload the worst cases of mega slum congestions that are 90% of our world population located in coastal flood disaster prone cities. Friday, August 26, 2016 ##### World Press Conferences and re-broadcast.
Friday, Aug 26, 2016

Thursday Aug 25, 2016 was another busy day by FatherKeith.com Duncan in the the Holy Trinity Name of humanity, God, Christ, and the Holy Spirit. It takes four entities to actually have a universal collective conscious called life. Almost our entire world is in survival mode of finding basic food, shelter, water, and protection from the basic periodic elements of the nuclear age. This includes protection from the criminal elements who are almost all of your own government and corporate leadership. They have obtained their evil kingdom thrones of ultimate power because they ruthlessly abuse the rights of those who have elected and promoted them. For the survival of the strong fittest, is now the conquering ability of those who have the intellectual quotient (IQ) to enslave those around them at every opportunity.

How many politicians promise exactly what their constituents need, then raise millions and collective billions of \$\$\$ for campaigning, get paid off (bought) by criminal agents of mega wealthy MonkeyKings.info? Then once elected, they use the power of their office to prevent everyone from seeing they are dipping their hands into the blood stained taxpayer coffers to feed their own political and criminal enterprises. They buy their way out of all criminal proceedings by extorting the judicial system using taxpayer and criminally acquired funding.

The news media Press is just as criminal as they are typically interested in only profits from advertising revenue. They report only the most scandalous and exclusive news as the cycle of fresh blood meat news changes every day. Citizens seldom follow any story and simply do NOT CARE how reality is systematically destroying their assets and livelihoods.

Criminals like Cobb County District Attorney Berry Vic Reynolds attend church, host prayer meetings, advocate for elder and children rights, kiss babies and old ladies at every photo opportunity, yet they run the most insidious criminal enterprises because they control the court documents, the prosecutors evidence, and work hand in hand with the most corrupt judges in world history. None of these factual testified statements are speculation, conjecture, or hypothesis. These criminals were criminally incompetent to destroy key evidence and to certify sign their own names on false testimony that includes their ability to

TheMetaPhysics.org FortuneONE.org SolutionJudge.com, EVote.One FOIA.One is UNlocracy.org

electronically weasel their way out of the rat invested worm holes they have dug for themselves.

On Thursday, I visited the new local Health Spa run by my Palestine friend who married a Philippine lady like I did. He sponsors 24 students at the local college. Next I went to Golden Press to photocopy my most powerful business cards and to set a NEXT appointment with Ma Belen Barias-Lim (CPA) manager publisher of The Northern Forum (Harbinger of Truth). MabelenLim@Yahoo.com
GoldenPress_Tug@yahoo.com.ph.

Then I visited St Peter Paul Cathedral (Roman Catholic) to set Next appointment with Archbishop Sergio Utley and Edgar 'Gary' Agacoili. I met Gary one year ago to describe the horrors of humanity and the Solutions to transform crime reality into the Corruption Free world of UNlocracy.com I video recorded that whiteboard history lesson and posted on YouTube.com as ...

Then to exchanged some of my very last USD into Pesos at dropped 46.10 rate. Then 30 minutes at the Bambo Radio Station for second visit to meet their station manager producer. Then the second visit to Nancy Cortez-Garcia at the Cagayan Star 'Weekly Newspaper in the Region'.

NancyGarcia_87@yahoo.com, I text messaged Philippine Inquirer again about SolutionGovernment.com.

BuiltByKeith google Adwords campaign remains a huge expense with absolutely no response ACTIONS after years of full time broadcasting. The keyword Politics is expensive and tends to kill the impressions once a few people CLICK and never, ever take ACTION.

I am truly OUT of my own extensive lifetime cash reserves and will be struggling to find minimum cash to feed my family after about 2 months more despite living in extremely frugal conditions. I have about \$2,500 USD left after all my bank accounts, 401K cleaned out, my prepaid condo-car motorcycle sold off with all my lifetime evidence/possessions with a Forged Power of Attorney, and my rights viscously denied for 8 long years of pure hell. We do not even have running water in our new home. I lost +\$1.2 million in hard cash + assets to career criminals ROSE, Ms. Bashama, my own Duncan clan, murdered Brian Walker, and the absolute most sinister Government officials in world history. All based on biblical and logical fact that I reported all criminals to Law enforcement, to the Military, Congress, Public, and PRESS before I was brutally kidnapped Oct 3, 2011 by ROSE's extortion orders. ROSE has a \$2 Million USD bounty on his head with Ms. Bashama \$10,000 bounty to be paid BY USA government once they SEIZE my assets held in their serpent fangs of satanic devil worshipping teeth.

What can you do? Apparently very little, like IntegratedMediaOne.com without being paid + \$500 per month. ANYONE can CITIZEN ARREST the true criminals, chain them to the front doors of FBI-AG headquarters with hard copy documents of their crimes. This includes DAG Sally Yates, Judge Raymond Jackson (Norfolk VA), ATF William Banks, or any of the police, judges, investigators, prosecutors, my own LIAR-LAWYERS tied to two Cobb County Georgia USA of TPO 11.1.1171.99 and 11.1.7683.99, Marietta PD larceny 1.11.2506 Or dress them in bright red prison jumpsuit, shackle them hands to feet, place them on the biggest JACK-ASS mule, and march them down main street to the local BIG HOUSE JAIL. Everyone asks as they live video stream, "Which one is the bigger jack-ass? The one on top or bottom?" The same applies to well over 30 firms I have hired over past 8 years to GO PUBLIC with any and all of the World

Facebook reply from : Agustin Vasquez Jr Great luck, keep pushing if it's meant to be. The only thing, I don't like about electronic voting is the face recognition portion of it. It removes more of the animosity portion of your vote.

Keith's immediate reply:

taking your own photo WHEN you vote is for YOUR protection so you can go BACK and see each of your votes tied to your own Photo, Timestamp, and GPS location. NO one can see your votes UNLESS you turn on the public versus private switch. I would always vote PUBLIC view so anyone could see my voting

history. This is READ ONLY to world. If the prime database is HACKED or changed, I would be notified it was CHANGED, Plus I could confirm each and every one of my votes. The ANOMINITY portion is exactly what the criminals use to CHANGE your votes by CHANGING the tallies. The PRIME part of FACE recognition is immediately knowing WHO IS the person you are dealing with. It allows all citizens to IDENTIFY criminals, terrorists, fraudsters, corrupt politicians, and anyone REGARDLESS of the money or clothes they flash. For FLASHING cash and power is used to buy almost anyone off.... This is the Corruption FREE zone that will soon be WORLDWIDE, with the help of all of humanity. This is the most powerful, broad reform movement, no disrespect with the word Broad, as all women must be protected first along with all children since man has always been the prime aggressor.

Remarks by Sarah Sewall

Under Secretary for Civilian Security, Democracy, and Human Rights under USA Secretary of State John Kerry, from Astana, Kazakhstan
August 17, 2016

Before I take your questions, I'd like to briefly explain why I've come to

Kazakhstan and share a few observations from my meetings this week.!

As you may know, two weeks ago Secretary Kerry hosted the so-called "C5+1" meeting between the five Central Asian republics and the United States to reinforce regional cooperation on a broad range of issues, including economic connectivity, the environment and climate change, human rights, and security.

My trip this week has a narrower focus: strengthening our cooperation against terrorism. Kazakhstan has played a leadership role in building global support for a broader preventive approach to violent extremism, including by hosting a summit here in Astana last June.

Two weeks ago in Washington, we announced U.S. support for the Global Counterterrorism Forum to hold a dialogue focused on countering radicalization to violence and the movement of foreign terrorist fighters across Central Asia.!

This week I'm here as the top counterterrorism official at the U.S. Department of State to learn about Kazakhstan's efforts to counter violent extremism. I've been

impressed by the thoughtfulness and commitment of our Kazakhstani colleagues to address this problem. In meetings this week, I shared our observations about the factors often linked with terrorist radicalization – and more importantly – what we can do to prevent it.

One factor is often government behavior. Corruption, impunity, and poor public services can erode trust between people and government and create openings for violent extremist to recruit. Prisons that mix petty criminals with violent ideologues can provide terrorists a captive audience. And we've seen how governments that respond to terrorist attacks with torture, abuse, and restrictions on fundamental rights can actually fan terrorist radicalization by leading otherwise peaceful individuals to see violence as their only recourse.

That's why, when Secretary Kerry visited Astana last November, he emphasized that "terrorist presence does not give authorities license to use violence indiscriminately... [or] to lock up political opponents." In meetings this week, I've underscored that governments should take a "no harm" approach by ending counterproductive practices, fighting corruption at all levels, and respecting human rights.

BBK20160826-13PlaguesRevelations-SolutionManifesto-393 Friday, August 26, 2016

Sources of terrorist radicalization can also include personal or community alienation, hopelessness about the future, or hunger for identity and purpose. But addressing these vulnerabilities is not something governments alone can do; an effective approach must involve local communities. Religious leaders,

TheMetaPhysics.org FortuneONE.org SolutionJudge.com, EVote.One FOIA.One is UNIocracy.org

researchers, teachers, women, and youth are often best positioned to intervene when vulnerable individuals are on the brink of violence. Similarly, free and independent media and citizen groups can refute terrorist ideologies and their false propaganda with far more credibility than government officials and outlets.

The U.S. welcomes Kazakhstan's commitment to a broader and more preventive approach to terrorism, and we stand ready to work with partners in and out of government who will join us to turn back this shared threat.

Now let me take your questions....

From FatherKeith.com Duncan Aug 22, 2016.

An absolute root world problem has always been the lack of standards to ensure evil persons do not overtake and overthrow the society and government institutes that were originally designed to ensure peace and tranquility throughout all lands. This includes the foundations of democracy, communism, socialism, monarchy, and others that served the people equally in their alpha beginnings. UNlocracy.com is the ONLY form of society government that incorporates the best of all human relations to ensure full scale accountability and integrity with one degree of separation between all my +7.44 billion people. This occurs using shared off shelf technology of mobile eDevice communications that ensures no one can commit hidden crimes and prevent their own punishment by extorting others with their stolen assets and abilities to deceive and divert attention away from their crimes using false witness and coercion techniques.

Cultural wars between differential factors of society have always been used to enrich the Criminal Ruling Elite who use every ways and means to capitalize and enslave their own people for their own nefarious means. The Press Release by Sarah Sewall identifies many of the prime world problems and international conflicts that exist because most people can not agree on unification of our entire world. cyber security, cutting edge / state of the art technology bonanza. These methodologies have broken through the extreme barricades and iron walls erected by most of the corrupt politicians in cabal league with criminals known as mega wealthy political donors, crime invested and serpent infested corporate executives, and underground crime enterprises run by the cruelest sociopath manias like Robert Dee Rose identified for 8 years on websites of WhereIsRobertRose.com and personally delivered to every single Law

Enforcement Agency known to man. This includes Congress, United Nations, the USA (and other) Military, the Associated Press News broadcasters, and well over 200 churches in just the past 8 biblical years of extreme 'HELL' tribulation.

The true reasons for the ultimate trials and tribulations of the cause and effect of our human psychology conditions is caused by pure adulterated and prostituted greed. For the BIGOTS, hypocrites, cynics, blinded fools, criminal brood of viper serpents, and the un-educated masses are the complete 'VENN' diagram.
